A Day With Terry Scott and Amy Lingo: Building a Behavioral and Instructional Framework of Positive and Proactive Practices in the Classroom

Wednesday, December 9, 2009

Presenters: Terry Scott, Ph.D and Amy Lingo, Ed.D

Target Audience: Educators K-12 working with students with disabilities.

Participants will learn how to build a framework of tiered supports and evidence-based practices to design classroom environments that support: *What we do for ALL students, what we do for SOME students, and what we do for a FEW students.* These opportunities will address both academic and behavioral issues simultaneously in a systematic manner. Topics will include practices around behavior, reading, and math.

Cost: \$35.00

(includes continental breakfast, lunch and workshop materials)

Time: 9:00 a.m. – 4:00 p.m.

Registration will begin at 8:00 a.m.

Location: Newport News Marriott at City Center

740 Town Center Drive
Newport News, VA 23606
(757) 873-9299

Terrance M. Scott, Ph.D. is a Professor and Distinguished University Scholar at the University of Louisville. He has taught in self-contained classrooms and directed public school programs for students with emotional and behavioral disorders. He has over 50 published articles, book chapters, and training media on a variety of issues in the areas of behavioral disorders and behavioral support systems and has conducted well over 400 presentations and training activities throughout the U.S., Canada, and Ireland. Currently, Dr. Scott is Editor of the professional journal *Beyond Behavior* and has a special focus on effective instruction, classroom and behavior management

Amy Shearer Lingo Ed.D., is an Assistant Professor of Special Education at the University of Louisville where she teaches in the areas of Classroom Management and Curriculum Methods and Assessment. Dr. Lingo brings her experiences as a Learning and Behavior Resource teacher, and work with the Kentucky Department of Education providing Reading and Math Interventions for Students with Disabilities. Her research has a special focus on effective instruction, and effective classroom and behavior management.
