*Part One: Thursday, December 10, 2009*

*Part Two: Tuesday, March 16, 2010*

### ***Presenter:***

Kristen Ingram, Early Childhood Special Education Teacher

**Target Audience:** early childhood general and special education teachers, administrators, paraprofessionals,

### ***Part One***

Do you have a SMARTBoard available in your building, but aren't quite sure how to use it? Do you love to get your students excited and engaged in learning? Come to Part I of our workshop and learn the nuts and bolts of using the SMARTBoard! From turning it on to creating simple activities, we will help you integrate this technology into your daily class routine and enhance your instruction in the process!

### ***Part Two***

Learn more in depth methods of creating pages and manipulation of objects and pictures on the SMARTBoard. Learn how to turn your felt boards and finger plays into interactive SMARTBoard pages that are quick to create and fun to implement. Tips and tricks will be included on embedding the SMARTBoard throughout your day as well as using it in conjunction with software like Boardmaker and kid friendly interactive websites.
